

## TO MAKE THEIR FUTURE HOME IN CALIFORNIA

TONOPAHANS LEAVE FOR BAY  
CITY TO MAKE THEIR  
FUTURE HOME.

Mrs. R. Petroni, will leave tomorrow for San Francisco to join her husband, who holds a responsible position in the Bay City. Mr. Petroni, who is a pioneer business man of Tonopah, having been the proprietor of the Depot hotel some years ago, left Tonopah several months ago to look for pastures new and has decided to locate permanently in the city on the coast. Mr. and Mrs. Petroni leave a host of friends in Tonopah who regret the loss of the former Tonopahans, but who are pleased to learn that they have been successful in their new venture.

Mrs. Petroni will be accompanied on her journey to the coast by her niece, Miss Minnie Meagla, who will make her home with the Petronis during the summer months. Miss Meagla, who is one of Tonopah's belles, has the good wishes of her many friends, and they will await her return to the desert city with anxiety.

## ENGAGEMENT IS ANNOUNCED OF MISS M'MILLAN

RENO COUPLE'S ANNOUNCEMENT  
OF MARRIAGE CAUSES A  
GREAT SURPRISE.

The Reno Gazette of last Thursday said:

This afternoon Miss Bonnie Thoma entertained a few friends at bridge and at the close of the game a most delicious luncheon was served. The table was most artistic with Cecil Breuner roses adorning the center, at each place a bunch of the same beautiful flowers. Tiny white cards were passed, sealed with pink hearts and when opened they revealed the names of Miss Madge McMillan and Mr. Alfred Ede.

What an astonished crowd of girls there were there, for they did not even suspect what was coming. Miss McMillan is the eldest daughter of State Treasurer and Mrs. McMillan, and her beauty and captivating personality has made her one of Reno's most popular and sought after belles. After leaving the Reno high school she attended the Boston Conservatory for a year and spent the next year at the National Park Seminary in Washington, D. C. She possesses a beautiful soprano voice with which she has always been most generous.

Mr. Ede is a graduate of Annapolis and last month succeeded in passing his examination for ensign. He is a Reno chap, of whom we are all proud. The marriage of this prominent couple will be solemnized this summer, and in the meantime the happy couple is being showered with congratulations and good wishes.

### OLD NEVADA IS STRICKEN.

A few days ago Colonel Sutherland of Candelaria, dropped dead of apoplexy in a New York hotel. He had a varied career as a mining promoter. One day rolling in wealth and the next day broke. He was the King of Nevada plungers, and his nerve was limitless. He was once ordered out of Candelaria by a mob who threatened to lynch him if he was in town another hour. Not long after he came back with a half million of capital in his jeans to invest in Candelaria. He was met by the delighted citizens with a brass band and tendered a banquet. He had a heart as big as his stomach, which is saying a good deal. Peace to his ashes.

## HONOR IS PAID TO CARDINAL

REPRESENTATIVE GATHERING  
IN BALTIMORE EULOGIZES  
NOTED CATHOLIC.

BALTIMORE, June 12.—Cardinal Gibbons missed his afternoon walk yesterday. For the first time in years, one of the very few in the twenty-five years he has been the only prince of the Catholic church in the United States, he missed that afternoon stroll over the streets of Baltimore where he listened to banker and beggar, and took to heart the troubles of "his people." Instead of the walk that had become a feature of that part of the city in which he lived, the cardinal sat yesterday afternoon on the temporary stage in the Fifth Regiment armory, and listened to the great men of the nation speak in eulogy of his life.

Among the six hundred guests seated on the platform behind the president and the cardinal, were more than a score of senators and members of the house of representatives.

Probably a more distinguished gathering was never held in this country outside of Washington, and the wheels of government came pretty near to a stop while those who sit in charge over them paid honor to the cardinal. The armory holds 15,000 people, its builders say, and it was crowded to the doors.

## EASTERN MEN BUY ARTESIAN LANDS

James G. Givens and M. M. Riley last week concluded a really deal of considerable importance to Vegas valley. Through their agency the Nevada Land and Development company transfers to W. J. Latchford of Los Angeles and a company of Rochester, N. Y., bankers, 5200 acres of bottom land just north-east of town, commonly known as the K. M. Jackson property. The consideration involved is in the neighborhood of \$50,000.

The details of the transaction are not yet available for publication, but it is learned that it is the intention of the new owners to develop water and colonize the tract. They have enormous capital and propose to invest it liberally in promoting the project. The soil is now being analyzed with a view of obtaining the best information possible as to its adaptability to the raising of various products.

The deal is of importance not only to Las Vegas, but to Clark county, and, in fact, the whole of Southern Nevada, as operations will be conducted on a large scale and will be of great value in demonstrating the agricultural possibilities of this section.—Las Vegas Review.

## BAY CITY HAS TWO POLICE CHIEFS

SEYMOUR REFUSES TO GIVE UP  
OFFICE TO WHITE IN FACE  
OF DECISION.

SAN FRANCISCO, June 12.—San Francisco again has two chiefs of police, in the person of John F. Seymour and D. A. White, as the result of Superior Judge Seawell's action Saturday in modifying the injunction against White and the police commissioners issued by him on June 2. The new ruling directs that all parts of the former order restraining White from claiming the office of chief of police and performing its duties and enjoining the police commissioners from recognizing him as chief, be stricken out.

The use of force in enforcing White's authority is prohibited. Chief Seymour refused to recognize White, and continues to act as head of the police department.

### KILLS SWITCHMAN.

OMAHA, Neb., June 12.—Harry L. Woolledge, a member of the police force, last night shot and instantly killed Henry Metz, a Burlington switchman at Sixteenth and Chicago streets while attempting to arrest an old man whose name has not been learned. A crowd of 100 threatened to lynch the officer, who was not in uniform at the time, and only the quick arrival of a squad of officers prevented violence to the patrolman.
